Five jets shot down during India-Pak conflict: Trump

Both sides halted military action, says Indian govt

PRESS TRUST OF INDIA Washington, July 19

IN A FRESH claim, US President Donald Trump said “five jets were shot down” during the conflict between India and Pakistan in May and repeated his assertion that the fighting ended following his intervention. The US president did not specify whether the jets were lost by either of the two countries or whether he was referring to combined losses by both sides. In virtually rejecting Trump’s claim of ending the conflict, New Delhi has been maintaining that the two sides halted their military actions following direct talks between their militaries without any mediation by the US.

Speaking at the White House during a dinner he hosted for Republican senators on Friday, Trump said: “You had India, Pakistan, that was going... in fact, planes were being shot out of the air... four or five. But I think five jets were shot down actually... that was getting worse and worse, wasn’t it? That was looking like it was going to go, these

Cong demands govt reply

THE CONGRESS ON Saturday said PM Narendra Modi should now himself make a clear and categorical statement in Parliament on the American leader’s claims over the last 70 days. Congress general secretary in-charge communications Jairam Ramesh said just two days before the Monsoon Session of Parliament begins, “the Trump

missile gets fired” for the 24th time with the same two messages, pointing out that Trump has again stated that the US stopped the war between India and Pakistan. The Congress has been demanding that Modi must answer Trump’s India-Pakistan “ceasefire” claims during the forthcoming Monsoon Session. —PTI

are two serious nuclear countries, and they were hitting each other,” he said. “But India and Pakistan were going at it, and they were back and forth, and it was getting bigger and bigger. And we got it solved through trade. We said

you guys want to make a trade deal. We’re not making a trade deal if you’re going to be throwing around weapons and maybe nuclear weapons. Both very powerful nuclear states,” Trump said. He said his administration achieved more in six months

than almost any other administration could accomplish in eight years.

“Something I’m very proud of, we stopped a lot of wars, a lot of wars. And these were serious wars that he ‘helped settle’ the tensions between India and Pakistan and that he told the nuclear-armed South Asian neighbours that America will do a ‘lot of trade’ with them if they stopped the conflict.

India launched Operation Sindoor on May 7, targeting terrorist infrastructure in territories controlled by Pakistan in response to the Pahalgam terror attack. The Resistance Front (TRF), a front for Pakistan-based terrorist group Lashkar-e-Taiba (LeT), had claimed responsibility. The strikes triggered four days of intense clashes that ended with an understanding on stopping the military actions on May 10.

The US on Thursday designated The Resistance Front as a foreign terrorist organisation. Secretary of State Marco Rubio said in a statement that the Department of State is adding The Resistance Front as a designated Foreign Terrorist Organisation and Specially Designated Global Terrorist.

China kicks off mega dam project in Tibet

BLOOMBERG July 19

CHINESE PREMIER LI Qiang launched construction of a mega-dam project in the lower reaches of the Yarlung Tsangpo river in Tibet on Saturday, with a total planned investment of 1.2 trillion yuan (\$167 billion), according to the official Xinhua News Agency.

A new company called China Yajiang Group was also officially unveiled on Saturday. It will be responsible for constructing the hydro project, consisting of five cascade dams and located in the city of Nyingchi in the southeast of the autonomous region of Tibet, Xinhua said. The power generated will be mainly transferred outside of Tibet, while also used for local consumption needs, Xinhua said, without providing details on the project’s capacity. The total investment would make the dam one of the costliest infrastructure projects ever and a likely boon to Beijing’s efforts to revive economic growth.

The dam could become a source of tension between China and India, as the Yarlung Tsangpo runs through the contested Arunachal Pradesh area and feeds into one of India’s major rivers. Beijing has said that there won’t be any adverse impact to downstream areas.

Indian box office grew 14% in H1 of 2025

PRESS TRUST OF INDIA New Delhi, July 19

THE INDIAN BOX office minted ₹5,723 crore in the first six months of 2025, marking a 14% year-on-year growth, a new industry report has said. The ‘India Box Office Report: Jan-Jun 2025’, released by Ormax Media on Saturday, highlighted that 17 films crossed the ₹100 crore mark at the domestic box office between January and June, an increase from just 10 titles that achieved the same feat during the first half of 2024.

“The cumulative box office for Jan-Jun releases stands at ₹5,723 crore, which is 14% higher than the same period in 2024 and just ₹12 crore short of the 2022 record for Jan-Jun box office,” the report stated.

So far in 2025, the box office has seen fewer big-ticket blockbusters, with only one film crossing the ₹250 crore mark. Instead, the momentum has been driven by a steady stream of mid-to-high performing titles that grossed over ₹100 crore. The highest-earning film of 2025 so far has been “Chhaava”, a historical action-drama headlined by actor Vicky Kaushal, which grossed a staggering ₹693 crore. It is followed by “Santeranthiki Vasthunam”, a Telugu-language film starring Daggubati Venkatesh. The movie also posted strong nationwide numbers. The month of June alone contributed over ₹900 crore to the

half-year tally, with Hindi films “Sitaare Zameen Par” and “Housefull 5” emerging as the top grossers of the month, each grossing close to ₹200 crore, according to the report. Tamil-Telugu bilingual “Kubera” and “FI”, Hollywood’s Formula One title with Brad Pitt, were also among the top contributors for the month.

The report noted that if the current trajectory continues, 2025 could close at a record ₹13,500 crore, making it the highest-grossing year ever for the Indian theatrical market.

It, however, hinges on the box office performance of sev-

eral major titles scheduled for release in the second half of the year. These include Rishab Shetty’s “Kantara: Chapter 1”, “War 2”, starring Hrithik Roshan and Jr NTR; Rajinikanth’s “Coolie”, “Akhandam 2”, featuring Nandamuri Balakrishna.

The report also highlighted that Hindi cinema continued to dominate with a 40% share of the total collections, followed by Telugu (20%) and Tamil (15%). Hollywood has reclaimed a double-digit share (over 10%) for the first time since 2022, signalling a resurgence in international content consumption in Indian cinemas.

Reporting on Air India crash speculative, premature: NTSB

BLOOMBERG July 19

THE HEAD OF the US National Transportation Safety Board said it’s too soon to draw conclusions about what caused the deadly crash of an Air India jetliner following reports that the captain of the plane likely moved switches that control the flow of fuel to the engines.

“Investigations of this magnitude take time,” NTSB chair Jennifer Homendy said Friday in a post to X. She called recent media reports “premature and speculative,” without providing any specifics on what exactly she

was referring to. Investigators, led by India’s Aircraft Accident Investigation Bureau (AAIB) with the assistance of the NTSB,

have been piecing together evidence to determine what caused Air India Flight 171 to crash on June 12, killing 260 people.

AAIB and Air India CEO Campbell Wilson have also urged the public not to draw conclusions while the probe is ongoing. It can take a year — sometimes longer — for authorities to release a final report laying out the probable cause of an accident and recommendations for avoiding future tragedies. A preliminary report released by the AAIB found two fuel control switches on the Boeing Co. 787 Dreamliner were moved to a “cutoff” position immediately

after the aircraft lifted off, starving the engines of fuel. While the move was reversed about 10 seconds later, it was too late to avert the crash. A cockpit voice recording from the aircraft revealed that one pilot — since identified by Bloomberg and other outlets as First Officer Clive Kunder — asked the other, Captain Sumeet Sabharwal, why he moved the switches, to which the latter replied he didn’t. How the switches came to be turned off are the key lines of inquiry.

Officials are probing whether it could be the result of human action or a failure of the plane’s systems.

ED summons Google, Meta over online betting apps’ investigation

PRESS TRUST OF INDIA New Delhi, July 19

THE ENFORCEMENT DIRECTORATE has summoned representatives of tech giants Meta and Google as part of a money laundering investigation against a number of illegal online betting platforms, official sources said Saturday.

The executives have been asked to depose before the agency on July 21 here and get their statements recorded under the Prevention of Money Laundering Act

- Officials have been asked to depose on Monday and get their statements recorded under the PMLA
- The federal agency is probing multiple platforms hosting illegal betting and gambling links

■ Tech giants have been called to explain how such illegal platforms are able to place ads on their social media platforms

(PMLA), they said. There was no immediate response from the two firms.

The federal agency is probing multiple platforms hosting illegal betting and

gambling links, including instances of advertisements placed for them on various Internet-based social media outlets and app stores. The tech giants are understood to have been called by the ED to understand how such illegal platforms are able to place advertisements on their social media and communication links. Some actors, celebrities and sports persons are also under the scanner of the agency in these cases, and they are also expected to be summoned by the ED soon.
